COMPLAINTS POLICY

The Federated Governing Body of Elizabeth Garrett Anderson School and Copenhagen Primary School

CONTEXT

Within the Policy the following clarifications are applied:

Stage in Policy	This refers to:	
	Copenhagen	EGA
Stage 1 Where policy refers to a complaint managed by the Head of School / Headteacher	Head of School – Ms. Amardeep Panesar	Associate Headteachers - Sarah Beagley / Tina Southall or Executive Headteacher – Jo Dibb
Stage 2 Where policy refers to a complaint against the Headteacher	Headteacher / Executive Headteacher	Executive Headteacher

i.) Legal Requirement to Establish Complaints Procedure

The governing body is required to establish procedures for dealing with all complaints relating to the school including the provision of facilities or services by the school.¹

The Governing Body should ensure that any third party providers offering community facilities or services through the school premises, or using school facilities, have their own complaints procedure in place.

ii.) Publication and Availability of the Policy and Procedure

The policy and procedure will be publicised² in one or more of the following ways:

- the school prospectus;
- any report/communication from the governors to parents;
- the information given to new parents when their children join the school;
- the information given to the children themselves;
- the home-school agreement;
- home school bulletins or newsletters;
- documents supplied to community users including course information or letting agreements;
- a specific complaints leaflet which includes a form on which a complaint can be made;

¹ ss. 29(1)(a) and 39 of the *Education Act 2002*.

² s. 29(1)(b) of the *Education Act 2002*.

- posters displayed in areas of the school that will be used by the public, such as reception or the main entrance;
- the school website.

The school will also provide a copy of the policy and procedure to any person upon request.

iii.) **Regard to Guidance from the Secretary of State**

This policy and procedure has been created having regard to the guidance produced by the Secretary of State.³

iv.) **Governing Body Monitoring, Reporting and Review**

As well as addressing an individual's complaints, the process of listening to and resolving complaints will contribute to school improvement.

The monitoring and review of complaints by the school and the GB can also be a useful tool in evaluating a school's performance.

Scheduled Review and Updated Guidance from the DfE

The Policy and Procedure will be reviewed **every 3 years** but any governor with any concerns about its operation can request that it is reviewed at any time.

The Policy and Procedure will also be reviewed in the event that new guidance or legislative changes are introduced by the Department for Education.

Governing Body Monitoring

The level and nature of complaints will be reported to the Governing Body as part of the Governing Body's role in overseeing the operation of the school.

However, the details of an unresolved complaint or a complainant's information must not be discussed by the Governing Body in case a Complaints Committee meeting needs to be held.

Governing Body Reporting and Review

The outcomes of complaints will be reported to the Governing Body for review so that the Governing Body can:

- examine the effectiveness of the Complaints Policy & Procedure and consider any improvements; and
- identify any issues that need to be addressed and consider any improvements to school policies or procedures.

³ s. 29(2) of the *Education Act 2002* and DfE School complaints toolkit 2014.

v.) Local Authority (LA) Reporting

The School may be requested to provide statistics on complaints so that overall monitoring can be carried out to advise all schools and the authority on improvements to practice.

The LA may also require details of any complaint and its consideration in order to answer formal enquiries from the Department for Education or others. The school will be consulted before any response to such enquiries is made.

vi.) Advice and support from Islington Council Governor Services

Advice to Headteachers and governors on the handling of complaints is available from the Islington Council Governing Body Services section for the schools that buy into this service.

vii.) Establishing a Committee to Hear Complaints and Lead Governor

The Governing Body will establish a Committee of Governors to hear any complaints made. All members of the governing body that are not members of staff should be a part of this Committee.

viii.) Informal Concerns

Staff should be trained in how to deal with informal concerns when they are approached by people with such concerns.

If informal concerns are taken seriously, it can help to resolve issues on the spot and reduce the number of concerns that turn into complaints.

Because the aim of the complaints procedure is to resolve a complaint and achieve reconciliation between the school and the complainant, attempts to resolve a complaint with the complainant can and should occur at any stage during the procedure.

COMPLAINTS PROCEDURE

A. Who can make a complaint?

The right to make a complaint is not limited to parents or carers of pupils registered at the school. A complaint can be made by a member of the wider community or a person representing an ex-pupil.
