MESSAGE FROM HEAD OF SCHOOL

Dear Parents/Carers,

I hope that you all had a great weekend.

Last week was a fantastic week for us at Copenhagen; we were full of visitors! We had the second part of a workshop delivered by Peter Bunzl, an author. He worked with our Year 6 pupils, who had been reading Cogheart. Thank you to 'A Tale Unfolds' for providing this fantastic opportunity for our pupils.

WE Schools also visited us, and they hosted a whole school assembly for us on gender stereotyping. It was superb to hear our pupils' contributions.

Our after-school clubs are certainly a strength of our school, and it is absolutely lovely to see the provision provided by our staff.

If you would like to visit us, come and make an appointment with the school office. I would be happy to show you around.

May I also kindly remind parents, that I am always happy to meet you all, but please do book an appointment through the school office, so that we can have a professional dialogue about your concerns.

Have a good week.

Yours sincerely,
Miss Panesar

Peter Bunzl working with our pupils

It's not every day that you get to meet an author of a book that you love, let alone work with them. A crack team of Copenhagen students set to work on bringing Peter Bunzl's (an award-winning author) book to the silver screen. The children discussed the book Cogheart, a tense tale of mystery set against a backdrop of an alternative Victorian future, where robots were a huge part of society.

Over two workshops they planned their scenes, characters and dialogue, before 'green screening' their footage to make their own iMovie trailer to celebrate a new 'Read Zone' project, in partnership with the 'LitFilmFest'. The event finished with an audible gasp, after Peter told the children that there was a third book in the series coming out in October called 'Skycircus'. Oh, the celebrities we get through Copenhagen's doors!

WE Schools/Poetry Workshop

On Thursday 20th September we were visited by WE Schools, a foundation designed to help children understand social problems, and make social changes possible by working together in, and with society.

There was a whole school assembly, and workshops were held across KS2 (Key Stage Two) about gender stereotyping. There were lots of interesting ideas and discussions. We were also fortunate enough to have Kate Williams in, who is a poet, and worked with our pupils.

Miss Thomson

After-School Clubs

We have a total of 21 after-school clubs, and currently 61% of our pupils attend after-school clubs. It is great to see so many of our pupils attending, and it is an amazing opportunity to develop our pupils' enrichment in extra-curricular activities. Thank you to all of our staff, who volunteer their time after school to provide these opportunities for our pupils.

Autumn Term Events
