MESSAGE FROM HEAD OF SCHOOL

Dear Parents/Carers,

Last week was an energetic week! We had plenty of events taking place in terms of health and fitness, educational visits and of course our day to day learning.

We started the week off with a surprise visit from Michael Rosen. Our Early Years, Year 1 and Year 3 were all out on educational visits. Years 3 and 6 started their swimming sessions at Cally Pool.

It was great to have our best attended 'Parents' Coffee Morning' this week, with 14 parents attending! They all then came and joined in the National Fitness Day event. Do come and join us every Wednesday from 9:00am—10:00am, where you can discuss developments and share ideas with other parents in our school.

A huge congratulations to our Early Years class, who achieved 100% attendance last week!

If you need to see me for any reason, please book an appointment with the school office.

Have a good week.

Yours sincerely,

Michael Rosen

We had a great start to the week last week, where we were fortunate enough to have the author Michael Rosen attend our assembly. He was fantastic, and the pupils really enjoyed watching him live. One pupil even stated "Miss, Michael Rosen is real!". This of course has been tweeted and has had 1712 views! Amazing! We are looking forward to having him in again at our school. Thank you to 'A Tale Unfolds' who have organised this for our school.

Year 3 Trip

On Wednesday 26th September 2018, Year 3 travelled on the very impressive (according to the children) DLR (Docklands Light Railway) all the way to the National Maritime Museum, which was a very beautiful museum.

We travelled through rooms exploring Polar expeditions, Pacific expeditions, and many more. We were taught about some of the explorers that we've been learning about - such as Captain James Cook, Sir Francis Drake, and Vasco da Gama. We were the first ever class to be involved in this new exploration workshop, so we feel very honoured!

EYFS Trip

EYFS and KS1 were lucky to have been invited to join Vittoria School for a Little Angel Theatre production called 'Sleepyhead.' The performance was great and our pupils behaved extremely well! Here is a summary of the production:

"It's been a long day for Dad and he can hardly keep his eyes open. All he wants is for Baby to go to sleep so he can catch up on a little shut-eye too. Dad's usually got some tricks up his sleeve to help send Baby off to the Land of Nod. But tonight, Baby has other ideas. As soon as Dad's out of the way, Baby gets his hands on the magic top hat, and when his friend Rabbit shows up, the fun and games really begin!"

National Fitness Day

On Wednesday 26th September 2018, we held our first ever National Fitness Day, here at Copenhagen! It was energetic! It was absolutely fantastic to see all of our pupils, parents and staff participating! The live action footage is still on twitter! A huge thank you to Mr Fisher, who led this event and made it so enjoyable for us all, especially by playing Soca music!
