**MESSAGE FROM HEAD OF SCHOOL**

**Inside this issue:**

Dear Parents/Carers,

As we come to the end of this year, it is with great pride that I can look back at the many achievements of our school and children. They have worked so hard! I would also like to take this opportunity to thank all staff for their continuous hard work. All of our staff team at Copenhagen have embraced new initiatives and projects, and have helped to drive the school vision forward, to provide the best education for the children.

I would also like to thank all the parents and carers for their support this year; working together with our school through good and challenging times.

We have much to celebrate this year as the festive and holiday season approaches! Please do come along and support us with the many events that have been planned for our children.

Finally, I would like to wish all the children and families a very Merry Christmas and a Happy New Year, and for those that do not celebrate, do have a lovely holiday period.

See you all again on Tuesday 8th January 2019!

Yours sincerely,

**Miss Panesar**

Early Years—Transport Museum	1
Islington Seniors Party	1
Year 1 —Science Museum	2

**Islington Seniors Party**

On Wednesday 12th December, eighteen members of our choir performed as the first act for the Islington Council's Senior's Christmas Party. Approximately 100 old aged pensioners attended this event at the town hall and we were one of two schools who performed! A huge thank you to our choir and staff team, who once again managed to turn this around at such short notice. We never fail to deliver here at Copenhagen! Our twitter account on that day, was most impressive! Even the Islington Mayor had tweeted about us!

**Early Years—Transport Museum**

Our children visited the Transport Museum and had the opportunity to learn how transport has evolved, from old horse drawn carriages, to our current mechanical buses and trains. They got on one of the oldest London Underground carriages, and learned about the rules people had to follow in order to sit down. They noticed there was no information or maps on the trains, previously a staff member would shout out when they had arrived at a stop. Children had the chance to role-play the scene and had lots of fun. Next, children were able to see how complex trains and buses were in the past, and how they have changed for the better. At the end of the visit, the children had a little play at the station area, in which they could drive a bus, a train, or play at the information centre (the lost property desk). Last but not least, the children were surprised by Santa Claus, who was sitting in his grotto! All the children got a small present and sang "Santa Claus is coming to town" to him; he was delighted!

## Save the Children CHRISTMAS JUMPER DAY

Thank you for all your donations, total raised = £49.93

### Year 1—Trip

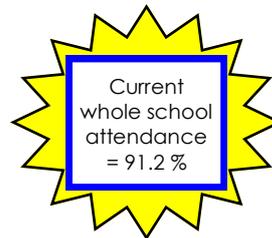

On Monday 10<sup>th</sup> December, Year 1 visited the Science Museum. We were able to go to The Garden during the morning and explore the different areas. Year 1 were very enthusiastic as they played with the building blocks, bubbles and toy boats. After lunch time we then looked around the museum in smaller groups, we looked at different materials and objects, picking out things that we might find in our own homes and things that may not be used as much today. The whole class represented Copenhagen brilliantly and really enjoyed their visit!

### VIPs— 14/12/18

Congratulations to our VIPs. Who will it be next year?  
Do come and join us on a Friday at 9:15am.

Current  
whole school  
attendance  
= 91.2 %

**CHRISTMAS  
EVENTS**

Lewis Carroll Library 166 Copenhagen Street, N1 0ST  
Wednesday 2 January 2.30 – 4pm

Winter Wonderland Glitter Globe

Create a stunning winter scene inside a jar. Please bring a clean, unchipped glass jar with lid

Our events are free but children who attend our events need to be library members or join on the day. Events are not ticketed except where stated, but we may operate a queuing system before the start. Families have priority over organised groups when allocating places. For safety, the number of children admitted to events is limited to the advertised number. Children under 8 must be accompanied by an adult throughout the event. Children who we believe are younger than the advertised minimum age may not be admitted.
