MESSAGE FROM HEAD OF SCHOOL

Inside this issue:

Dear Parents/Carers,

Last week was an informative week for us at CPS.

The week started off with staff training delivered by Pivotal Education. Staff were encouraged to set pledges and we all are currently holding ourselves to account using our 30 day pledges.

Pupils have had a very positive start to the year. It is fantastic to see the drive and focus from all our pupils in regards to their learning.

Last week, we had a police workshop with PC Tracy Sadler and PC Jade Dareve (Reception, Years 1-6). Pupils were able to ask any questions with regards to their safety and the role of police officers.

For the first week back, Year 3 even managed to have an educational visit to the Science Museum.

Our after-schools clubs will start this week. Thank you to all of our staff who have volunteered their time after school to provide a club for our pupils. This is part of our school ethos and it is equally important that every pupils attempts to attend at least one club a week.

I hope you all have a good week. If you would like to see me, please do book a meeting in through the school office.

Yours sincerely,

Miss Panesar

Science Museum—Year 3	1
After-school clubs	2

Police Workshop

On Wednesday 9th and Thursday 10th January 2019, PC Tracy and PC Jade visited our school. They ran workshops from Reception to Year 6 covering the following areas, and addressing any concerns or questions that our pupils had:

- The Police (People who help us)
- Personal Safety
- Road Safety
- Keeping Yourself Safe
- The Reality of Gangs and Street Crime
- You Decide - Gangs
- Junior Citizens

Year 3 Science Museum Trip

On Wednesday 9th January 2019, Year 3 started their new Science topic called 'Feel the Force', which started off with a forces workshop at the wonderful Science Museum. Year 3 saw lots of interesting things, such as a car hanging upside down, a spacesuit worn by Neil Armstrong and the new exhibition dedicated to the sun.

Year 3 loved the 'Feel the Force' workshop and Fiona our host (as well as Phil the frog) were really funny and informative. We learnt about magnetic forces, friction, gravity, air resistance, upthrust and famous scientists such as Archimedes, Galileo and Newton (including his three laws).

Year 3 also participated in some of the experiments. Yasmin got to compete in the Science Museum games and Mahjar was chosen to experiment with huge magnets. All in all, the force of fun for this trip was strong!

Clubs

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Arts & Design Club Miss Sanchis Reception, Year 1 and Year 2	Table Tennis Club (External coach) Years 3, 4, 5 & 6	Tennis Mr Ardes (External coach) Years 1, 2, 3, 4, 5 & 6	Computing Club Miss Akhter Years 1, 2 and 3	Gymnastics Club Miss Panesar Reception, Years 1, 2 & 3
